

Local Virtual Assistant Receives Entrepreneurial Recognition

2007-10-08 13:00:36 - **Owner Nancy Barnes is awarded the VAccolade Business Entrepreneurial Award**
Owosso, MI - Nancy Barnes, owner of HRA Global Solutions announced today that she is the recipient of the VAccolade Business Entrepreneurial award.

The VAccolade award not only recognizes participation at the Virtual Assistant Networking Association (www.VAnetworking.com), but also recognizes the professionalism with which Barnes presents herself on the web, thereby giving her more credibility amongst other Virtual Assistants.

"Virtual Assistants (VAs) are business owners who work from their own office providing professional support, services and skills to their clients via phone, fax and internet based technology. Partnering with a VA reduces stress, protects cash flow, eliminates human resources hassles, and enables business people to find the success they originally set out to achieve. A VA is your right hand person helping you to succeed in your business. The irony is you may never meet your VA as odds are they live nowhere near you!" (definition from www.VAnetworking.com).

Barnes' company specializes in recruiting and [hiring](#) for small and new companies and is a home-based administrative professional providing various online services to her clients. She started her Virtual Assistant career to provide support for Human Resources departments during these tough economic times and to assist with the many tasks associated with hiring.

In a recent [survey](#) from VAnetworking, the United States has the largest number of VAs, followed by Canada, Australia and Europe. Clients only pay for time spent on their projects. There's no need to pay for taxes, benefits, equipment, etc. VAs are hired on an hourly, project or a monthly retainer basis.
